

Audit Partner Network

Frequently Asked Questions

Is enrollment required for the year in its entirety or can individual sessions be attended?

The purpose of the program is to build upon specific topics and develop peer audit partner relationships, something that can be missing in smaller firm environments. If you are unable to attend a session, the material and recording of the session will be provided. If you are interested in a particular topic and would like to arrange for an in-house presentation, please [contact us](#).

Are the sessions eligible for verifiable CPD hours?

Yes, attendance at each session is verifiable CPD. Additional time spent in preparation for sessions should be tracked for non-verifiable CPD reporting hours. We will issue a PD Certificate at the end of the last session to all participants.

How can participants make the most of the Audit Partner Network?

While the Audit Partner Network runs on an annual basis, ongoing participation will provide you with the confidence that your firm's templates and processes are adapting to any new standards requirements and a network of peers to reach out to when issues arise.

What is the cost of joining the Audit Partner Network?

The annual cost is \$875 per attendee.

When are fees due?

Full payment is due upon enrollment. If you have missed a previous session we will send you the material and a recording of the session. [Contact us](#) if you would like to discuss an alternative arrangement.
